Escape to this beautiful, award winning, farmhouse bed and breakfast accommodation.

Relax and unwind with a holiday or a weekend bed and breakfast break in this comfortable, historic, 16th Century Medieval Devon Longhouse and carefully converted listed barn, with many original features, Tudor paneling, oak beams, log fires, uneven floors and low doorways! Tucked away in a secluded, peaceful countryside position (away from public roads, yet only 2 miles from A361, linking North Devon to the M5) within its own 80 acres of rolling North Devon countryside and woodland, with fabulous views.

This is an idyllic hideaway for exploring the beauty of Exmoor National Park, North Devons dramatic coastline with its historic harbours (Lynton/Lynmouth and Clovelly) and market towns (Barnstaple & South Molton). Discover

National Trust Propertie - Arlington Court or visit the beautiful gardens of RHS Rosemoor and Marwood Hill, or family attractions such as 'The Big Sheep' or 'Combe Martin Wildlife & Dinosaur Park'. With the Tarka Trail and Macmillan Way walking routes passing Huxtable Farm's entrance enjoy walks directly from the doorstep!

En-suite bedrooms, free WiFi, tennis court, sauna, games room, a flock of Jacob sheep lambing during April and a 'Devon Wildlife' farm walk with abundant wildlife, panoramic views and starry skies.

Enjoy delicious breakfasts, freshly prepared from farm and local produce served with home-made bread, jams and free range eggs.

A Devon cream tea awaits your arrival!
